2026 DIY AI TRAINING COURSES

Dovea Genetics offer Ireland's most valuable, most complete, and professional D.I.Y. A.I. training approved by the DAFM. We offer personal attention from experienced personnel to maximise the learning experience for the participants.

The courses run over four days and are a mixture of theory and practical experience. Upon successful completion of the course, participants will be issued with a training certificate from Dovea Genetics and a DIY AI Licence from DAFM.

The current locations for training courses are County Tipperary & County Monaghan.

If interested in the training course please contact us
on 0504-21755 or email info@doveagenetics.ie

A number of courses are ran
in conjunction with Macra
Skillnet, which can be booked
under Courses on the Macra
Skillnet Website
